

# WHAT DETAILS ARE NEEDED TO CANCEL A BOOKING AT THE WHITE TULIP HOSTEL AMSTERDAM

To cancel a booking at The White Tulip Hostel Amsterdam, please include your full name, reference number, and reservation details in your cancellation request. Guests should also verify their specific cancellation deadline and review the booking conditions applicable to their reservation before submitting the request. Which reservation details should guests provide when cancelling? When you cancel your booking with us, it is essential to send a clear cancellation request containing your full name, the reservation reference number, and all relevant reservation details. This information ensures we can quickly locate your booking and process the cancellation accurately. Omitting any of these details may delay your request or risk it being overlooked. Make sure the reservation details you provide match exactly what appears in your confirmation to avoid confusion. This often includes your check-in and check-out dates, room type, and booking channel if that information is available. Why is it important to check the cancellation deadline and booking conditions? Our cancellation policies vary depending on your room type, rate, booking channel, and dates selected. The cancellation deadline sets the latest point at which you can cancel without potential fees or penalties. . .
